

Jenny the Busy Little Bee

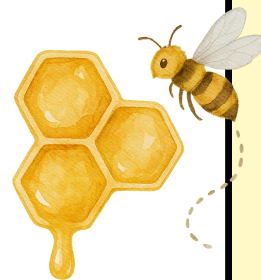

Jenny is a little bee. She lives in a big hive in a tall tree. Every morning, Jenny wakes up early. She is always very busy!

Jenny flies from flower to flower. She loves the yellow and red flowers the most. She collects the sweet nectar from each flower and brings it back to the hive to make honey.

In the hive, the bees use this nectar to make honey. The honey is thick and golden. Jenny loves honey. It is so sweet, and yummy.

In the evening, Jenny rests. She sits on a leaf and looks at the flowers. "I love being a bee," she says happily.

Answer the questions.
