

# Before and After

Write the numbers before the numbers into the boxes.

<input type="text"/>	←	4	→	<input type="text"/>
----------------------	---	---	---	----------------------

<input type="text"/>	←	5	→	<input type="text"/>
----------------------	---	---	---	----------------------

<input type="text"/>	←	2	→	<input type="text"/>
----------------------	---	---	---	----------------------

<input type="text"/>	←	8	→	<input type="text"/>
----------------------	---	---	---	----------------------

<input type="text"/>	←	3	→	<input type="text"/>
----------------------	---	---	---	----------------------

<input type="text"/>	←	1	→	<input type="text"/>
----------------------	---	---	---	----------------------

# Before and After

Write the numbers before the numbers into the boxes.

<input type="text"/>	←	13	→	<input type="text"/>
----------------------	---	----	---	----------------------

<input type="text"/>	←	7	→	<input type="text"/>
----------------------	---	---	---	----------------------

<input type="text"/>	←	10	→	<input type="text"/>
----------------------	---	----	---	----------------------

<input type="text"/>	←	17	→	<input type="text"/>
----------------------	---	----	---	----------------------

<input type="text"/>	←	6	→	<input type="text"/>
----------------------	---	---	---	----------------------

<input type="text"/>	←	9	→	<input type="text"/>
----------------------	---	---	---	----------------------

# Before and After

Write the numbers before the numbers into the boxes.

<input type="text"/>	←-----	<b>11</b>	-----→	<input type="text"/>
----------------------	--------	-----------	--------	----------------------

<input type="text"/>	←-----	<b>14</b>	-----→	<input type="text"/>
----------------------	--------	-----------	--------	----------------------

<input type="text"/>	←-----	<b>16</b>	-----→	<input type="text"/>
----------------------	--------	-----------	--------	----------------------

<input type="text"/>	←-----	<b>12</b>	-----→	<input type="text"/>
----------------------	--------	-----------	--------	----------------------

<input type="text"/>	←-----	<b>15</b>	-----→	<input type="text"/>
----------------------	--------	-----------	--------	----------------------

<input type="text"/>	←-----	<b>18</b>	-----→	<input type="text"/>
----------------------	--------	-----------	--------	----------------------

# Before and After

Write the numbers before the numbers into the boxes.

<input type="text"/>	←-----	<b>21</b>	-----→	<input type="text"/>
----------------------	--------	-----------	--------	----------------------

<input type="text"/>	←-----	<b>19</b>	-----→	<input type="text"/>
----------------------	--------	-----------	--------	----------------------

<input type="text"/>	←-----	<b>24</b>	-----→	<input type="text"/>
----------------------	--------	-----------	--------	----------------------

<input type="text"/>	←-----	<b>23</b>	-----→	<input type="text"/>
----------------------	--------	-----------	--------	----------------------

<input type="text"/>	←-----	<b>20</b>	-----→	<input type="text"/>
----------------------	--------	-----------	--------	----------------------

<input type="text"/>	←-----	<b>25</b>	-----→	<input type="text"/>
----------------------	--------	-----------	--------	----------------------
