

Caring for Our Garden

Ways to Care for Plants

- Water plants regularly
- Give them sunlight
- Remove dead leaves
- Keep soil healthy
- Protect from strong wind

How to Remove Weeds

- 1 Look for weeds around your plants.
- 2 Hold the weed close to the ground.
- 3 Pull it out gently with the roots.
- 4 Put weeds in a bucket or bin.
- 5 Wash your hands when finished.

Safety Precautions When Planting

We should wear safety clothing when planting . We can:

Wear gloves

Use tools safely

Ask an adult

Wash hands

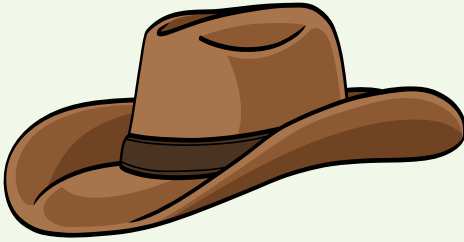

Watch for bugs

Stay in shade
